Audience Questions

Please request for the Microphone using the “Ask for Mic” icon.

Moderator will pass Microphone to you in the sequence in which Mic is requested.

Please stay on “Mute” while others are speaking for best audio quality!

Thank you for your help and cooperation!!

problem

“Um, we just discovered you need to...”

another problem

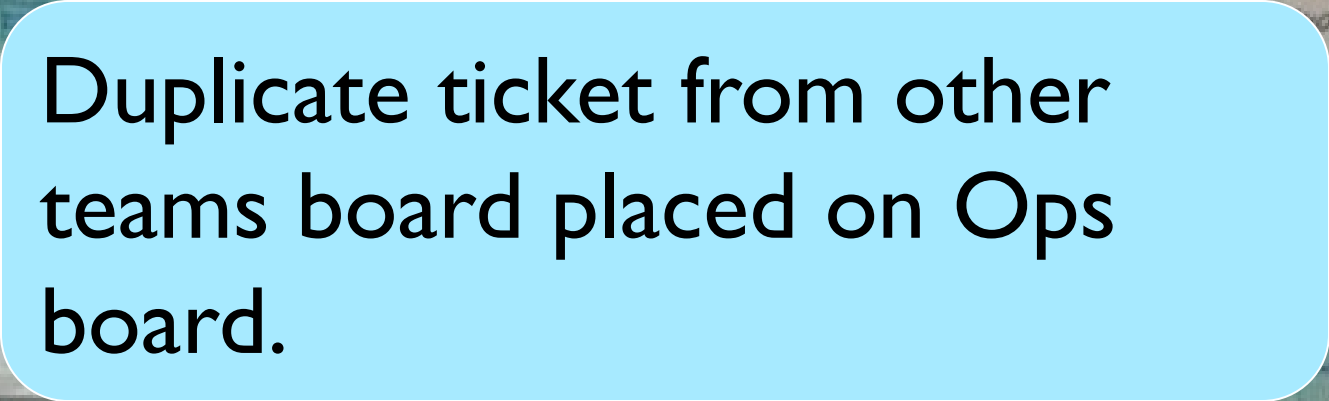

“Sorry, project x is a higher priority...”

problems

1. Emergencies from unknown dependencies
2. Dependencies are not considered a priority from another department or vendor.

1. Add dependent tasks from another team to your kanban board
